The Copenhagen design and art gallery's latest showing contrasts Anastassiades' singular lighting designs against rugs from legendary Swedish weaving studio Märta Måås-Fjetterström.

By Dijana Kumurdian.

One of our favourite design galleries in the world, **The Apartment** was established by Tina Seidenfaden Busck – a veteran of Sotheby's in London and Copenhagen – as a space for her to indulge her extraordinary taste in vintage and contemporary design. Housed in a renovated residence in Copenhagen, the collections are curated to look like a resplendent interior, its decor changing
