12 (0.47")

Cleaning instructions

Polished bronze: As the item is unlacquered, it naturally oxidises (darkens). Use a good quality brass cleaning liquid and follow the product instructions using the extra soft dust cloth. Do not apply pressure on persistent marks. Remove them using repeated gentle motions and by reapplying the brass cleaning liquid.

Michael Anastassiades' design philosophy is to preserve the inherent qualities of given material. All of our products are handmade and come in natural finishes, exposed to the elements without any protective lacquers. We look at oxidation as part of a process that adds to the patina of an object, increasing beauty with time. We try our best for all goods to leave our premises in pristine condition, but sometimes products may arrive with minor oxidation marks.

Whilst every effort is made to ensure accurate representation of product colours, finishes and dimensions, Michael Anastassiades Ltd reserves the right to alter these details without notice, in compliance with its own production needs, technological changes or in response to the current market needs. Colour swatches are for reference only; Michael Anastassiades Ltd cannot guarantee exact colour match for any product finishes.

All designs are protected under copyright law. Michael Anastassiades holds the exclusive manufacturing and distribution rights worldwide. Copying will be prosecuted.

All light fixtures in this catalogue have CE marking compliance.
